The 109th Annual
Haddam Neck Fair

A Genuine Country and Agricultural Fair
LABOR DAY WEEKEND
Friday, September 3 from 4:00 pm
through Monday, September 6

2021
The 109th Annual
Haddam Neck Fair

Rated as one of Connecticut’s Major Agricultural Fairs

This is the ninth year of the second century of the Haddam Neck Fair. Early in the first century transportation went from largely horse- and ox-drawn vehicles to trucks and automobiles. Food now comes from supermarkets instead of the backyard. People work at jobs many miles from Haddam Neck.

In the first century there was effort on the part of the Grange organization and 4H to teach and promote better farming and conservation practices to improve the quality of life. The Haddam Neck Chapter of the Grange no longer exists, but 4H continues as our kids continue to learn these basic living skills and demonstrate them at the Fair.

In the second century there is increasing concern for caring for our land and water resources and for a return to smaller, more local, and natural farming.

May the Haddam Neck Fair, in its second century, continue its role of promoting these values while remaining an independent, family-oriented, major social and agricultural event.

Have fun and thank you for joining us!

Come Join Us!

The Haddam Neck Fair has been an entirely volunteer operation throughout its history, operating on its own without support from either government or sponsoring organizations. It is supported entirely by the funds it raises and by the hard work of its volunteers.

As a major Agricultural Fair, we are proud of the fact that we are able to maintain the small, country atmosphere for which we are known in spite of rising commercialism and the complications of modern life.

In order for the Fair to continue its traditions we must recruit new volunteers on a continuous basis. The Fair runs smoothly because of an experienced team, yet we like to pass along that experience in an orderly fashion before it is lost and has to be relearned under stress.

Summer work nights are held this year on Wednesday nights from 6:00 pm, and every night the week before the Fair. This is when we do all the various maintenance and preparation chores to get ready for the Fair. Come bring your tools and your skills and get to know us by working with us.

We can also use organizational and public relations skills as well as plain old common sense. Come see why many of us come back year after year, and share in the great satisfaction we feel each year as we pull it off again.

Questions? Call David Tozier at 860-416-4302 or Angie Tegge at 860-759-5334.
To all our VOLUNTEERS

who make The Haddan Neck Fair possible—

Thank you for your tireless hours and commitment to this community endeavor.

And Thanks to Peter Smith for all the wonderful photos including the cover photo!

Our appreciation to...

Loretta and Terry (Fatz) Danaher

who, each year, allow us to use their hayfield for parking as one of their many contributions to the Haddam Neck Community.

National Code of Show Ring Ethics

International Association of Fairs and Expositions (IAFE)
The Haddam Neck Fair supports in principle the National Code of Show Ring Ethics as put forth by the International Association of Fairs and Expositions (IAFE). This code has to do with honorable conduct on the part of exhibitors and on the ethical and humane treatment of show animals. Copies are available from the Fair Secretary. This code does not take precedence over existing rules of the Haddam Neck Fair in cases where there are differences.

A Synopsis of Provisions Relating to the Haddam Neck Fair
All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example.

Animals shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally.

At any time after an animal arrives on the Fairgrounds, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter-irritant, or similar substance) which could affect the animal’s performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

Association of Connecticut Fairs
(State) Baking Contests

2021 Baking Contests Rules
Full version available at www.ctagfairs.org > News & Resources > Contests

Each year The Association of Connecticut Fairs sponsors baking contests open to the public at participating member fairs. There are separate contests for Junior and Adult divisions, each with a specific recipe. A Two-Crusted Apple Pie Baking contest is also held.

WHO MAY ENTER: The contest at each participating member fair is open to all men, women and juniors who are residents of Connecticut. Commercial, industrial or professional bakers are not eligible. Divisions: Juniors (ages 7 to 15 as of July 1st) and Adult.

HOW TO ENTER: Any Connecticut resident entering a contest at any participating member fair is automatically entered and competing in the local contest. Contestants may enter the contest at as many fairs as they wish until they win first prize. They will then represent that fair at the state baking contest. Please submit entries to both the local and state contest on disposable plates. The Association of Connecticut Fairs and the member fairs are not responsible for the return of plates, trays or containers.

JUDGING: Judging will be based on appearance, flavor and texture. The Association of Connecticut Fairs will furnish judges’ score sheets to each fair and the contestant will receive these sheets at the end of the contest. Additions, deletions or substitutions in the recipe are not permitted and will result in disqualification. All decisions of the judges are final.

LOCAL CONTEST: The winner of the local contest will receive a blue ribbon from the Association of Connecticut Fairs and will then become eligible to submit their entry at the state contest. In the event that only one entry is received at the local contest and that entry is worthy of first prize, that entry must be awarded the first place ribbon.

STATE CONTEST: The state contest is held as part of the Fall Meeting and Convention of the Association of Connecticut Fairs. Entries for the state contest are accepted from 8:00 am to 10:00 a.m. on the day of the judging (contact your local fair or visit www.ctagfairs.org for the date and location). Contest winners are announced at the Fall Meeting. Each fair is responsible for contacting their contest winner and providing them with information. The Association of Connecticut Fairs does not contact individual fairs or contest winners in regards to contest and banquet reservations nor does the Association of Connecticut Fairs cover the costs of attending the awards banquet. NO BANQUET RESERVATIONS FOR CONTEST WINNERS WILL BE ACCEPTED AT THE DOOR.

2021 Adult Baking Contest Recipe
For 2021 we are celebrating the First Thanksgiving.
The event that Americans commonly call the “First Thanksgiving” was celebrated by the Pilgrims after their first harvest in the New World in October, 1621.

Plimoth Thirded Bread

Starter Ingredients
½ cup water
½ cup King Arthur All-Purpose Flour
One packet of active dry yeast
In medium to large bowl dissolve yeast in water and then stir in flour. Let rest until bubbly (10 min. – 1 hour).

Additional Ingredients
⅓ cup whole wheat flour
¼ cup rye flour
⅔ cup cornmeal
⅔ cup corn flour
2¼ cups King Arthur Flour All-Purpose flour
1 teaspoon salt
1½ cup water

Instructions
Mix flours and cornmeal with salt and add to starter. Add water slowly, mixing while adding, until combined.

Cover and place dough in refrigerator for 8-12 hours. Remove from refrigerator and let rest for 15-20 minutes to come to room temperature. On floured surface stretch and fold. Return to refrigerator and let rest 1 hour (or leave at room temperature and rest 15-30 minutes) then on floured surface stretch and fold again. Return to refrigerator and let rest 1 hour (or leave at room temperature and rest 15-30 minutes) then on floured surface stretch and fold for the third and final time. After final fold, rest 15-20 minutes at room temperature, then shape into round loaf and place top side DOWN in bowl oiled with vegetable/canola oil. Proof (let rise) for 40 minutes to 1 hour.

Heat oven to 450°F. Grease an 8-9 inch (measured at the top inside edge) Dutch Oven or Casserole Dish (CorningWare) with vegetable/canola oil. Flip dough into Dutch Oven or Casserole Dish (CorningWare). Cover and bake for 20 minutes. Remove lid and bake for another 20-25 minutes, checking for doneness by knocking on loaf and waiting to hear a hollow sound. When done, let sit on cooling rack at least one hour.

Submit loaf on foil-covered cardboard no wider than one-inch from side of loaf.

NEW THIS YEAR!!
There are four changes in the Flowers and Horticultural competition in 2021.

1. Beginning this year, a new class of competition has been added – Garden Bouquet.
2. There will be fewer defined classes in the Horticultural category. This does not mean that we no longer accept all types of horticultural material but that some of those items, previously assigned an individual class, will be included under the broader “Other” category.
3. The Horticultural category has been separated into two separate groups:
   a. Fresh Flowers
   b. Potted Houseplants and Herbs
4. The “Children under 16” classes in Horticulture will be the same as those available to “Adult.”

Competition Guidelines
Artificial foliage and artificial flowers are not permitted in any class.

Accessories are acceptable and floral material may be purchased for Flower Design & Garden Bouquet Classes only.

Flower Arrangement Class entries need to present color harmony, design balance, proportion and originality with strong construction in a suitable container.

Garden Bouquet Class entries need to present color harmony, design balance and proportion in a suitable water container.

Fresh Flowers are judged on color, form, size, uniformity and stem & foliage condition. Unless otherwise specified, only one specimen may be entered.

Potted Houseplants are judged on overall appearance. Fresh, healthy greenery and clear evidence of new growth will be reflected in your overall score. Plants must be disease, insect and dust free or will not be accepted as an entry.

Prizes
Prizes are awarded based on judges’ points:
1st Place Displays earning point values of 90 – 100
2nd Place Displays earning point values of 80 – 89
3rd Place Displays earning point values of 70 – 79

Continued

- **Nature's Perfection** in Horticultural Classes – in Fresh Flowers and in Potted
  Houseplants / Herbs

Complete detail on factors that will be judged are listed on the HNF website at

Need help with choosing flowers? Lists of common flowers in bloom at Labor Day
can be found on the HNF website at www.haddamneckfair.com or on the Haddam
Garden Club site at www.haddamgardenclub.org.

presentation, the container is part of the display.

2021 Theme — *The Mayflower*

The Pilgrim ship *Mayflower* has a famous place in American history as a symbol
of early European colonization of the future United States. This year’s Flower
Design Theme commemorates the 400th anniversary (quatercentenary) of the
landing of the *Mayflower* and establishment of a colony by the Pilgrims.

Did they land at Plymouth Rock as is established American lore or elsewhere
on Cape Cod? Historical documentation suggests that on November 11, 1620,
the *Mayflower* dropped anchor in Provincetown Harbor. An exploring expedition
discovered the site of an empty village, now known as Corn Hill in Truro. At this
site, they found man-made mounds protecting stores of corn which they brought
back to the remaining passengers on the ship, preventing them from starving.

Exploration moved south along the coast to Easton and ultimately, the move
to Plymouth took place after they met the Nausets at First Encounter Beach in
December, 1620. The Pilgrims lived on the ship for a few more months, rowing
ashore to build houses during the day, and returning to the ship at night.  
Continued
Finally, in March 1621, there were enough houses that everyone could live on land. After a long, hard voyage, and an even harder winter, Mayflower left Plymouth to return to England on April 5, 1621.

Class I The Sailing of the Mayflower
See if you can capture the feeling of a ship at sea, or the hopefulness of the people inside as they traveled to an unknown world.

Class II New World Landing
Plymouth Rock may not have been the real, historical site where the Puritans came ashore, but it still evokes the relief they must have felt after so many months at sea. Your design, like their futures, will be built on rock.

Class III Old World Meets New
Europeans came to a continent teeming with different plants and very different cultures. Your design should include both native plants and imports, and you are encouraged to include elements that reflect the cultures of native peoples.

To learn more about the native people of Connecticut, why not visit the Mashantucket Pequot Museum or visit the web site at www.pequotmuseum.org.

Class IV First Harvest
A design incorporating both flowers and vegetables, particularly the “Three Sisters” so important to the Native American diet: corn, beans and squash.

Class V Thanksgiving Table Centerpiece
Traditional or contemporary, sophisticated or child-friendly, serious or funny—whatever your style is, your design can reflect it. Candles are permitted but not required.

GARDEN BOUQUET CLASS
The Garden Bouquet Class has been added to inspire the design and presentation of a harmonious collection of flowers. Entries may be comprised of any combination of flowers along with foliage and other natural plant materials. For many years, some contestants have brought more than one specimen of a flower to compete in the Horticulture/Fresh Flower category only to find only one may be submitted. This new category is a wonderful opportunity to submit multiple specimens of the same flower from your garden.

“Best Garden Bouquet” will receive the Susan Rutty Award and $15 from Haddam Garden Club.

Prizes: 1st $5.00 2nd $3.00 3rd $2.00

In addition, winners of “Award of Excellence” receive a gift certificate.

The Garden Bouquet category is comprised of two subclasses:

C Children under 16

Tractor Pulling — Antique

Jason Woody  Jimmy Heil
860-227-3515  860-853-8357

Sunday Morning, September 5 — 8:00 am

Rules:
1. Cut tires are only allowed in the 6.5mph class. Cut tires are not allowed in the 3.5 mph class.
2. The horn can stay on as long as you want before the 50ft cone. After the 50 ft. cone the horn can beep twice. The first time you have to slow down in an appropriate amount of time. The second time you’re disqualified.
3. The first puller will be the test puller. He has the option to keep the hook or come back right away. You have to let the flagger know before you leave the track if you’re coming back. If the next tractor hooks up and pulls you have kept your hook and that will be your recorded distance.
4. If there’s over 50 hooks each tractor is only allowed to pull in 4 classes. That can be four different weight classes at the same speed or jumping from different speeds in the weight class. If under 50 hooks you can pull unlimited classes.
5. Hitch height may be no greater than 20 inches from the ground with a 2.5-inch opening.
6. Tractor must have a functioning governor at all times as determined by a ten second wide open no load test.
7. Functional wheelie bars are required for your safety.*
8. Every tractor with driver must be weighed at time of registration. There will be a 50 lb. weight allowance.
9. Limit one tractor and one driver per weight class.
10. Driver must remain seated while pulling.
11. No jerking the chain (for your safety) and please NO DIGGING HOLES (it takes time to fill).
12. Hitch height is measured at final weigh in. If a tractor is found to be in violation of this rule, the tractor will be disqualified from that class.
13. Hook-up man is not to approach tractor until driver has tractor in neutral and has raised his hands.
14. Tractor tires must remain within boundaries of the track. If the boundaries are exceeded as determined by the pit crew the tractor will be disqualified.
15. Driver order will be assigned prior to the start of the class. All drivers must abide by this order. If a driver pulls out of order, that pull will not count and the driver must pull again in the correct order. The only exception to this rule is a legitimate mechanical breakdown. To be determined by the pit boss.
16. Track will be groomed as needed as determined by the pit crew. The track official or event organizer will make all final judgment calls.

PLEASE BE CAREFUL! HAVE A GOOD TIME! AND DON’T GET HURT!
